IMMI Honored as Healthiest Employer of Indiana for Second Year in a Row

For Immediate Release:

October 6, 2016

(Westfield, Indiana) – IMMI, a global leader in the innovation, testing, and manufacturing of advanced safety systems, has once again been recognized for its commitment to the health and wellness of its team members. For the second year in a row, IMMI took home the first place award for their category as a Healthiest Employer in Indiana.

IMMI rose to the top spot this year in the 100 to 499 employee category. Awards are determined by scores across six categories including culture and leadership commitment, foundational components, strategic planning, communications and marketing, programming and interventions, and reporting and analysis.

“From the people we protect with the products we make, to our fantastic team members who make those products every day, it’s part of IMMI’s Core Values to serve people,” said Jon Tice, Vice President of Human Resources. “That’s why we offer so many physical, spiritual, and mental wellness benefits and programs to help our team be at their happiest and healthiest. We’re honored to have our efforts recognized once again by being named one of the Healthiest Employers of Indiana.”

About IMMI IMMI® is the trusted, global leader of safety solutions, helping to protect millions every day. For more than 55 years, IMMI has led the way in developing, designing, testing and manufacturing innovative safety restraints and systems. IMMI’s safety products can be found worldwide on car seats, heavy trucks, school buses, recreational/off road, military, fire/EMS, motor coach, and construction vehicles. IMMI is privately owned, headquartered in Westfield, Indiana and operates seven additional global facilities. IMMI is also home to CAPE®, the world’s leading state-of-the-art testing facility.
